Int. Filing Date: 03 October 2003	:	PETITION
Priority Date: 03 October 2002	:	
Attorney Docket No.: 014975-114	:	UNDER 37 CFR 1.181

	:	

This decision is in response to applicant's "REQUEST FOR WITHDRAWAL OF HOLDING OF ABANDONMENT – NO ABANDONMENT IN FACT" filed 29 May 2007 to withdraw the holding of the abandonment of the application, which is being treated as a petition under 37 CFR 1.181. No petition fee is due.

### **BACKGROUND**

On 03 October 2003, applicants filed international application PCT/FI2003/000723, which claimed priority of an earlier application filed 03 October 2002. The thirty-month period for paying the basic national fee in the United States expired on 03 April 2005.

On 01 April 2005, applicants filed national stage papers in the United States Designated/Elected (DO/EO/US). The submission was accompanied by, inter alia, the basic national fee required by 35 U.S.C. 371 (c)(1).

On 21 July 2005, the DO/EO/US mailed a Notification To Comply With Requirements For Patent Applications Containing Nucleotide And/Or Amino Acid Sequence Disclosures (Form PCT/DO/EO/922), which indicated that applicants failed to meet the requirements of 37 CFR. 1.821-1.825.

On 21 September 2005, applicants filed a response to the Notification. The response included a transmittal letter, substitute paper copy of the sequence listing, a declaration pursuant

Application No.: 10/529,871

to 37 CFR 1.821 – 1.825, and a copy of the sequence listing in computer readable form.

On 28 February 2007, the DO/EO/US mailed a Notification of Abandonment (Form PCT/DO/EO/909).

On 29 May 2007, applicant filed the present petition under 37 CFR 1.181.

### DISCUSSION

A review of the file indicated that applicants filed the response to the Notification on 21 September 2005. This is evidenced by the USPTO stamp on the return receipt postcard supplied by the applicants on 29 May 2007. Because the reply to the Notification was received within the time limit, the Notification of Abandonment was sent in error.

### CONCLUSION

For the reasons detailed above, applicants' petition under 37 CFR 1.181 is GRANTED.

The Notification of Abandonment (Form PCT/DO/EO/909) mailed 28 February 2007 is hereby VACATED.

This application is being forwarded to the United States Designated/Elected Office (DO/EO/US) for further processing in accordance with this decision, which includes the mailing of the NOTIFICATION OF DEFECTIVE RESPONSE (PCT/DO/EO/916) for the sequence listing submitted by the applicant.
